

## South King County Projects Update

---

*Edition 99, July 11, 2006*

### In this issue:

- South King County traffic closures this week
- SR 161 widening completed ahead of schedule and under budget

## South King County traffic closures this week

### Interstate 5, Federal Way

Tuesday through Thursday nights [expect extensive ramp and lane closures](#) as crews make pavement repairs and improvements.

### State Route 18, Auburn

Tuesday and Wednesday nights expect [ramp closures](#) at the SR 167 interchange for paving.

### State Route 167, Auburn to Renton

Monday through Thursday nights expect [northbound lane closures](#) for lane shifts and paving. Also expect ramp closures at the SR 18 interchange Tuesday and Wednesday nights, and a ramp closure at the SR 516 interchange Tuesday night (see below).

### State Route 516, Kent

Tuesday night expect a closure of the [westbound SR 516 on ramp to northbound SR 167](#).

### State Route 599, Tukwila

Crews will close the left northbound lane of SR 599 at East Marginal Way Monday through Saturday for work in the median on [Sound Transit's light rail project](#). Weekday closures will occur from 10 a.m. to 5 p.m., Saturday from 6 a.m. to 5 p.m.

## SR 161 widening completed ahead of schedule and under budget

This week WSDOT and Tri-State Construction will mark the completion of the [SR 161 widening project](#) six months ahead of schedule and under budget. In this project, which began construction in March 2005, we widened the highway from two to four lanes, added turn lanes at intersections and made other improvements to enhance safety, reduce congestion and protect the environment. This project was primarily funded by the 2003 [Nickel Funding Package](#).
